COMMUNITY REMINDERS

NO PARKING

Vehicle Parking

Please remember that vehicle parking is permitted solely in your garage or designated parking spaces. It is essential to ensure that vehicles do not encroach upon sidewalks, streets or public rights-of-way, as this helps maintain accessibility and safety for the entire community.

Dryer Vent Cleaning

It's extremely important to clean dryer vents, as they are a #1 cause of house fires. Signs that your dryer vent needs cleaning include longer drying times. By prioritizing maintenance, you can enhance safety, improve energy efficiency, and prolong the life of your dryer.

Miguel will be available to assist with the cleaning of dryer vents. For inquiries regarding Miguel's contact information, please contact Kathryn Bertolette at Ralston Management.

UPCOMING BOARD MEETING
Wednesday May 14, 2025 @ 9:30am
Location: Ralston Mangement
43533 Ridge Park Drive, Suite K
Temecula, CA 92590

Board of Directors

President - Tom Taylor

Secretary - Jessica Petri

Treasurer - Huy Le

Rodent Control

The Board of Directors is diligently working to address the rodent issue within our community. It is imperative that all residents collaborate to prevent the presence of rodents. Please be vigilant regarding the proper disposal of waste and contribute to maintaining a clean environment throughout the community.

Proper Trash Can Placing

Please be advised that proper placement of trash cans requires them to be positioned on the street. The CR&R waste collection service will not pick up trash if the cans are not located in the designated area. Thank you for your assistance in this matter.
